Dear Counsel:

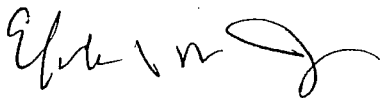

**PETITIONS OF THE BOEING COMPANY FOR REVIEW OF WASTE DISCHARGE REQUIREMENTS (WDR) ORDERS R4-2004-0111 AND R4-2006-0008 FOR THE SANTA SUSANA FIELD LABORATORY BY THE REGIONAL WATER QUALITY CONTROL BOARD, LOS ANGELES REGION: EXTENSION OF TIME TO RESPOND TO PETITIONS AND TO PREPARE ADMINISTRATIVE RECORD
SWRCB/OCC FILES A-1653 AND A-1737**

As stated in my letter dated April 27, 2006, the State Water Resources Control Board is aware of the complexity of the issues raised in this matter and of your joint request for more time to respond. Since writing my prior letter, Chair Doduc has decided to review the stay order in this matter, Order WQ 2006-0002. By letter dated May 3, 2006, Chair Doduc requested comments on the stay order no later than May 11, 2006.

In light of this additional deadline for comment, the deadline for submission of comments on the merits of the permits and for submission of the administrative record will be extended. The deadline for comments and the record is now **June 15, 2006**.

If you have any questions, please contact me at 916-341-5175.

Sincerely,

Elizabeth Miller Jennings
Staff Counsel IV
